

SUDAN: IMPOSE AN ARMS EMBARGO ON ALL PARTIES TO THE CONFLICT!

Nowhere is safe for the people of Sudan.

The internal conflict between the Sudanese Armed Forces (SAF) and the Rapid Support Forces (RSF) has claimed the lives of over 150,000 people and displaced over 12 million.

The people of Sudan are facing rampant human rights violations and breaches of International Humanitarian law, resulting in mass civilian casualties, gender-based violence, and an internet blackout that makes it impossible to deliver humanitarian aid to millions of civilians trying to survive without food or water.

The civilian population is defenseless against the violence. People have no food, no water, and no access to medical care. Because access to the internet is restricted, there is often a lack of information about safe escape routes or where to find medicine.

I therefore call on you to:

- Impose an arms embargo on all parties to the conflict in Sudan
- Ensure that this embargo is enforced without exception

Hochachtungsvoll,
